**AMENDMENT AND RESPONSE TO OFFICE ACTION**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is in response to the Office Action mailed June 25, 2004, to which a timely one month response is due on Monday July 26, 2004, since July 25, 2004 is on a Sunday.

The Examiner asserted that restriction to one of the following inventions is required under 35 U.S.C. 121:

- I. Claims 1-7, drawn to linkage, classified in class 123, subclass 336;
- II. Claims 8-17, drawn to anti-chatter device, classified in class 123, subclass 184.55; and
- III. Claims 18 and 19, drawn to clearance, classified in class 123, subclass 337.

The Applicant respectfully traverses the restriction requirement. The Applicant contends that while the claims of the present invention may arguably be properly classified as proposed by the Examiner, the actual search required to be conducted by the Examiner with respect to any one particular group, will, in all probability, entail searching in multiple subclasses that encompass, or at least overlap, all of the subclasses identified by the Examiner. Therefore, the Applicant submits that the search required to concurrently examine all of the claims of the instant application will not be unduly burdensome.

The Applicants hereby elect Group II, claims 8-17, with traverse, for prosecution on the merits.

The Applicant respectfully requests consideration of the claim of the instant application and a favorable response is earnestly solicited. In the interests of expediting the prosecution of the instant application, it is respectfully requested that the Examiner contact the attorney of record by telephone in order to resolve any issues concerning patentability.

Any needed extension of time is hereby requested with the filing of this document.

The Commissioner is authorized to charge any additional fees or credit any overpayment to Deposit Account No. 50-1612. A duplicate copy of this letter is enclosed herewith.

Respectfully submitted,

WARN, HOFFMANN, MILLER & LALONE, P.C.
